

Product Knowledge : KUBOTA Diesel Engine

ZT PLUS

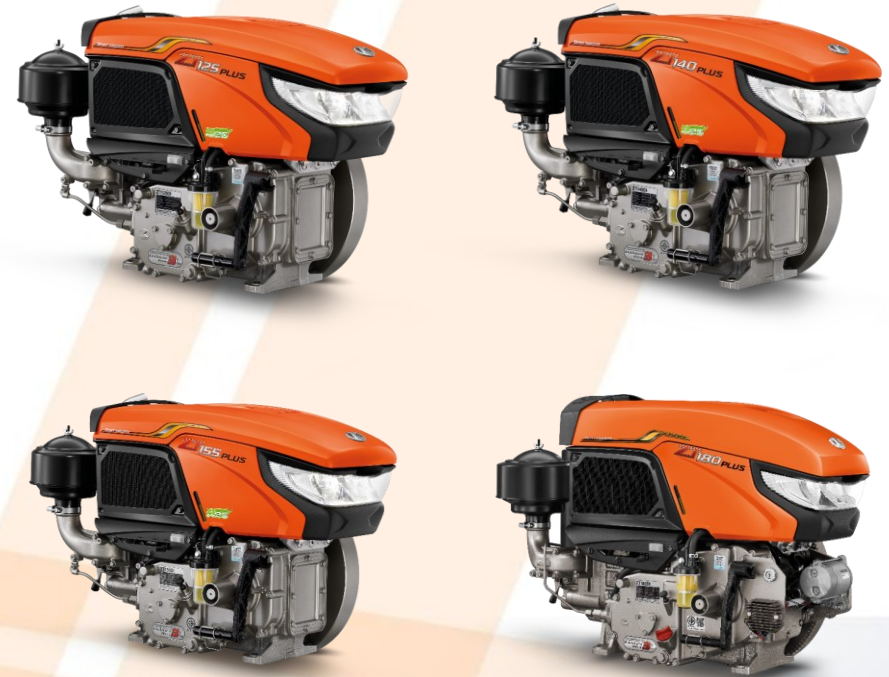

Type & Horsepower of Kubota Diesel Engine ***ZT PLUS***

Three Vortex Combustion System (TVCS)

10-12 Horsepower

Direct Injection (DI)

12.5-18 Horsepower

Remark : Available models may be different in each country.

Combustion system of Kubota Diesel Engine *ZT PLUS*

Three Vortex Combustion System (TVCS) For 10–12 Horsepower

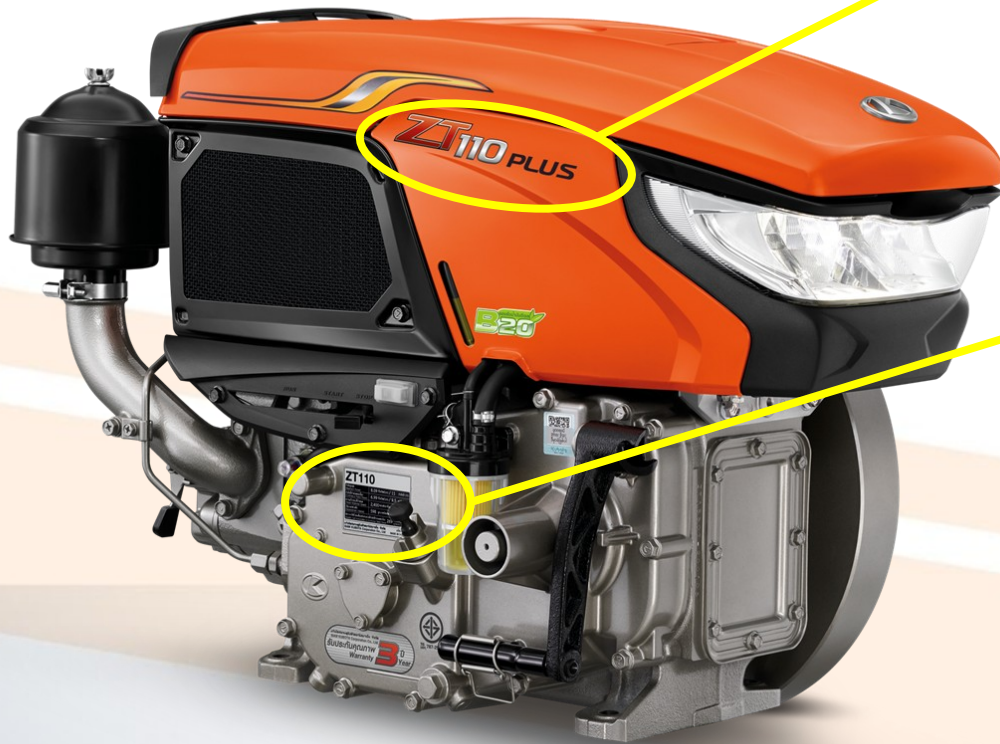

- TVCS system helps to start the engine easily,
- The sound of the engine will be soft
- Save the fuel while using low engine rpm such as water pumping or using with power tiller for tillage etc.

Direct Injection (DI) For 12.5–18 Horsepower

- DI engine type will response well while speeding up, save the fuel while using high engine rpm such as heavy transportation, tillage contractor ,spin the dynamo, water pumping from underground etc.

How to know the horsepower of KUBOTA engine

ZT PLUS

1) Label on the engine

- ZT100Plus : 100 = 10 HP
- ZT140Plus : 140 = 14 HP

2) Name Plate on the engine

ZT100		
กำลังสูงสุด (Maximum Power)	7.35 กิโลวัตต์ (kW) / 10	กำลังม้า (PS)
กำลังที่กำหนดต่อเนื่อง (Continuous Rated Power)	6.62 กิโลวัตต์ (kW) / 9	กำลังม้า (PS)
ความเร็วรอบที่กำหนด (Rated Rotational Speed)	2,400 รอบต่อนาที (rpm)	
ปริมาตรช่วงชัก (Displacement Volume)	547 ลูกบาศก์เซนติเมตร (cc.)	
อัตราการใช้ น้ำมันเชื้อเพลิงจำเพาะที่ กำลังที่กำหนดต่อเนื่อง (Specific Fuel Consumption at Continuous Rated Power)	269	กรัมต่อกิโลวัตต์ ชั่วโมง (g/kW-h)
บริษัทสยามคูโบต้าคอร์ปอเรชั่น จำกัด SIAM KUBOTA Corporation Co., Ltd		
ผลิตในประเทศไทย MADE IN THAILAND		

• 10 HP

Start system of Kubota Diesel Engine **ZT PLUS**

KUBOTA diesel engine "ZT Plus" have 3 engine start method

**Standard
Manual Start**

**ES
Electric Start**

**SW
Switch Start by key**

Remark : Available models may be different in each country.

Special model of Kubota Diesel Engine

ZT PLUS

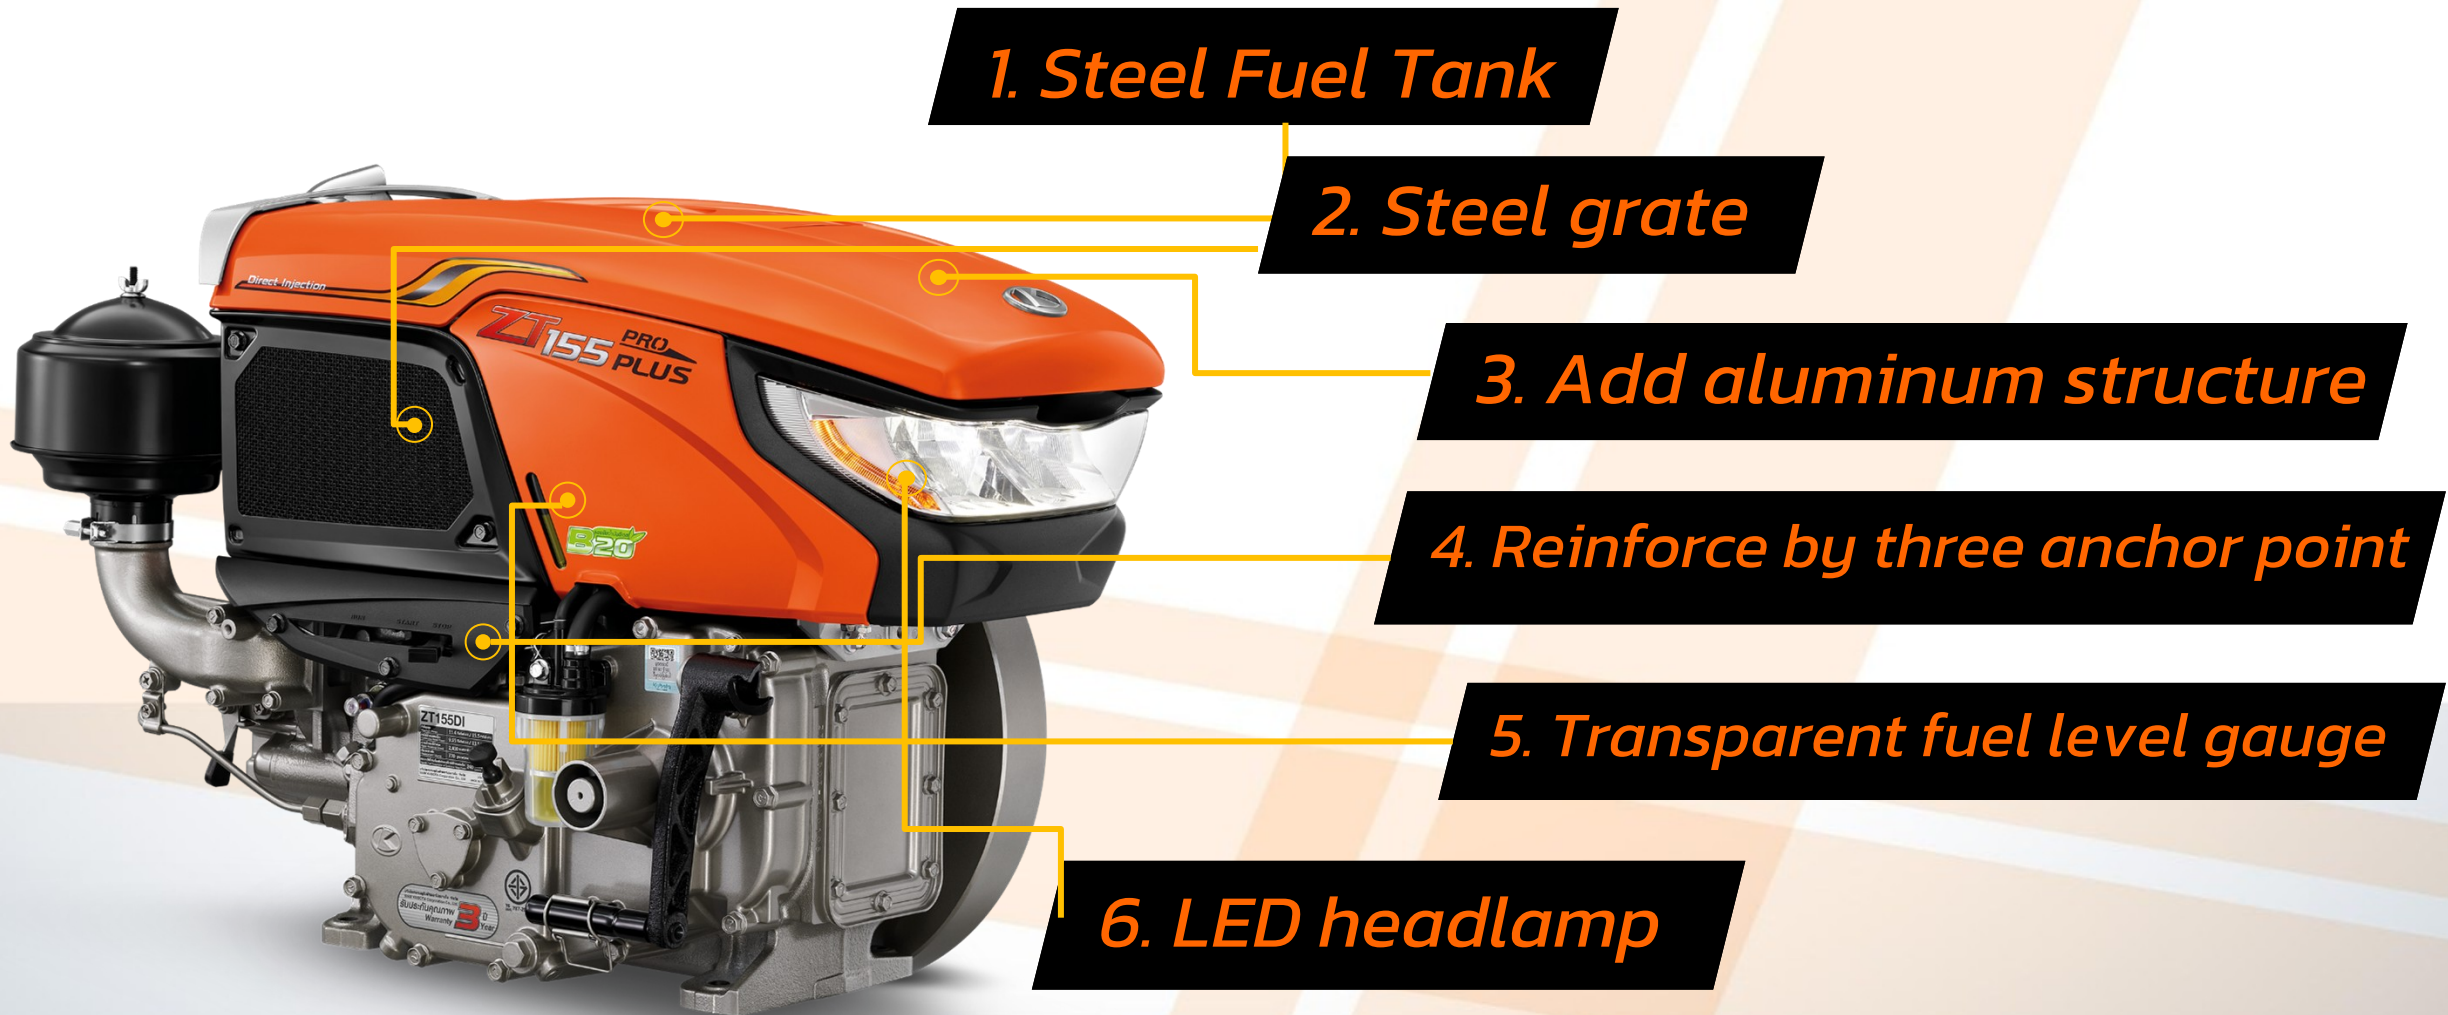

"PRO" with additional feature for more convenience

- 1) LED headlamp with turn signal
- 2) USB port for electronic devices.

Remark : Available models may be different in each country.

Highlight Selling Point of KUBOTA diesel engine **ZT PLUS**

Highlight Selling Point of KUBOTA diesel engine **ZT PLUS**

1. Steel Fuel Tank

10.5 liters for 10–15.5 HP engine

14.5 liters for 18 HP engine

Highlight Selling Point of KUBOTA diesel engine **ZT PLUS**

2. Steel grate

- *Steel grate on the radiator side and the fan side to prevent damage while using the engine*
- *Increase the frequency of the inner radiator filter for better dust protection and reduce the risk of overheating*

Highlight Selling Point of KUBOTA diesel engine **ZT PLUS**

3. Add aluminum structure

- *Add aluminum structure to protect any damages to radiator and other parts while using the engine*

4. Reinforce by three anchor point

- *To reduce vibration during operation*

Highlight Selling Point of KUBOTA diesel engine **ZT PLUS**

5. Transparent fuel level gauge

- *Fuel level are visible easily because of transparent PVC fuel level gauge.*

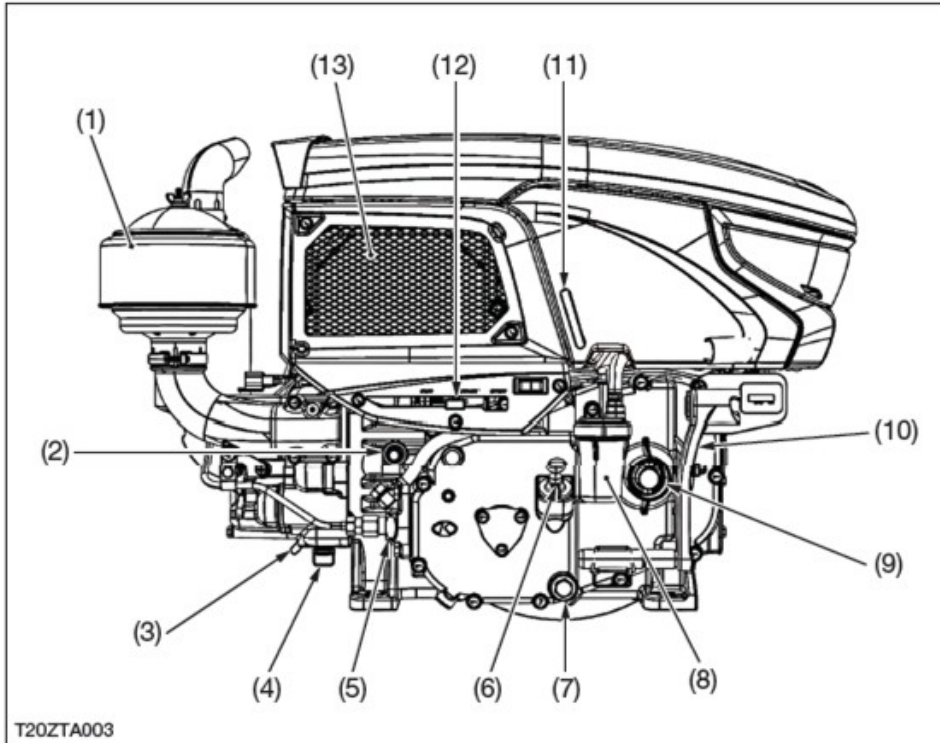

6. LED Headlamp

- *Bright LED headlamp for your safety while using the KUBOTA diesel engine "ZT Plus" in the night.*

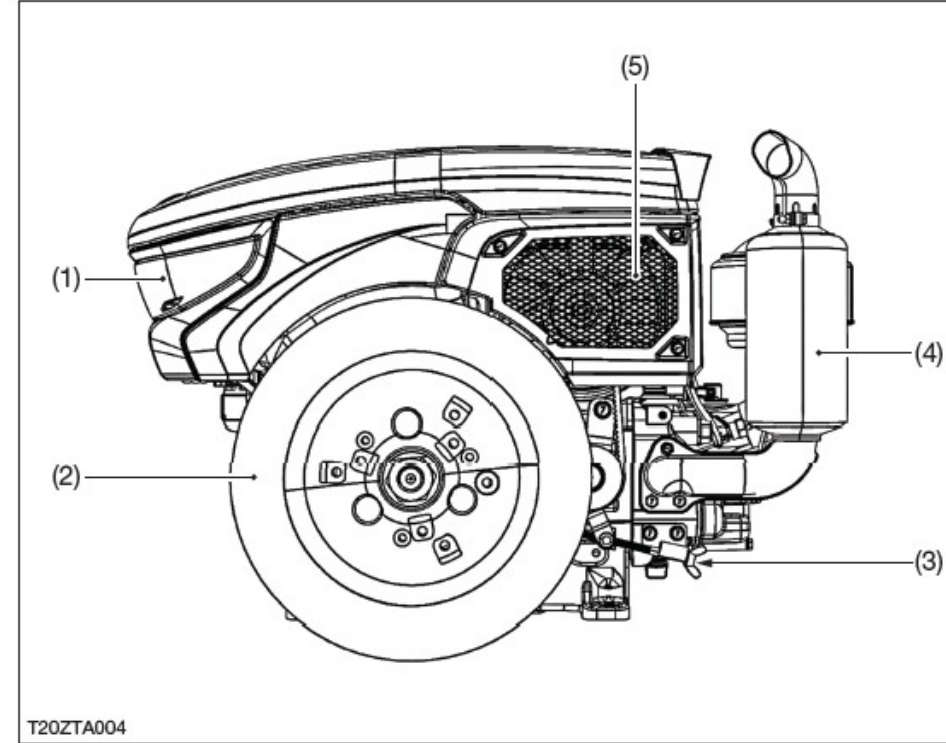

Components of Kubota Diesel Engines

ZT PLUS

- | | |
|--------------------------------------|------------------------|
| (1) Wet-type air cleaner | (8) Fuel filter |
| (2) Engine oil pressure gauge | (9) Starting shaft |
| (3) Decompression lever | (10) Starting handle |
| (4) Water drain plug | (11) Fuel gauge |
| (5) Fuel injection pump | (12) Accelerator lever |
| (6) Engine oil dipstick | (13) Radiator |
| (7) Engine oil filter and drain plug | |

NOTE: This illustration of parts is for one model only. For other models, the shape may vary.

- | | |
|--|-------------------------------------|
| (1) Headlamp and turn signal
(Pro model only) | (3) Belt tension adjusting wing nut |
| (2) Flywheel | (4) Muffler |
| | (5) Cooling fan |

Applications of Kubota Diesel Engines

ZT PLUS

*Attach with power tiller for tillage
or rubber wheel power tiller for travelling*

Transportation vehicle that need high power

Water Pump

Generator

EVAP fan

*Construction machine such as small pile driver,
mortar mixer, concrete cutting machine*

Warranty of Kubota Diesel Engines

ZT PLUS

3 YEARS Warranty

Please learn more about the warranty conditions.
