

KUBOTA ACTIVITY STANDARD

KUBOTA Family Day (KFD)

A simple event guide for distributors, dealers, and event teams

Purpose of this activity Bring real products into the local community so customers can see them, understand their key benefits, and know where to get product advice, service, and spare parts.

1. Venue

- Choose an easy-to-reach location such as a village square, community center, temple yard, or dealer area.
- Provide space for registration, product display, customer seating, parking, and a tent or shaded area.
- Prepare seating and tent space for around 30–50 people, with room to expand if more customers are invited.

2. Number of Participants

- Invite at least 30 customers per event.
- If the venue and team can support it, 30–50 people is recommended so the team can talk with and support customers properly.

3. Target Customers

- Farmers using other brands of diesel engines or power tillers who may be ready to change products.
- Customers whose current engine or power tiller has been used for a long time and may need replacement.
- New customers in areas where the dealer would like to introduce KUBOTA products.

4. Required Activities

- Register customers, collect contact details, and record which product they are interested in.
- Display a KUBOTA Diesel Engine and a TRA CHANG Power Tiller so customers can see the real products.
- Explain the key product benefits and how to choose the right product in a short and simple way.
- Introduce the dealer, contact channels, after-sales service, and spare parts support.
- Allow time for customers to ask questions and talk with the team.

5. Optional Activities

Customer experience sharing: Invite a local product owner to share a short, real experience.

Genuine product check: Show customers a few simple points they can check by themselves.

Promotion or installment plan: Prepare clear conditions and assign a team member to explain them.

Quiz or Lucky Draw: Prepare questions, coupons, equipment, and prizes.

01 | VENUE AND EQUIPMENT PREPARATION

Suggested Event Zones

01 Registration

Welcome customers, register them, and collect contact details.

03 Presentation Area

Prepare customer seating, sound equipment, and space for the presenter.

02 Product Display

Display both product types with model names and product information.

04 Discussion & Refreshments

Provide a place for sales follow-up, drinking water, and refreshments.

Recommended Items for One Event

Products	1–2 KUBOTA Diesel Engines with display stands 1 fully assembled TRA CHANG Power Tiller
Venue Setup	Tent, registration table, and around 30–50 chairs 1 microphone and sound system
Decoration	1 backdrop, around 3 × 3 m 4–6 J-Flags, around 1.65 × 0.45 m 2 Mini A-Boards and KUBOTA bunting as appropriate
Product Materials	Model name cards and product information Brochures and dealer contact details for all customers
Refreshments	Drinking water and refreshments for all customers Prizes or souvenirs if optional activities are included

Suggested Team

- Registration and customer welcome team
- Product presenter and Q&A support
- Sales team for customer discussion and follow-up
- Team member responsible for sound, refreshments, and optional activities

Note The quantities above are recommendations. Adjust them to suit the venue, number of customers, and local event format.

Pre-Event Checklist

- ☐ Invite at least 30 customers and prepare a form or simple method to collect qualified customer details for follow-up.
- ☐ Prepare 1–2 KUBOTA Diesel Engines and 1 TRA CHANG Power Tiller for display.
- ☐ Prepare the tent, registration table, around 30–50 chairs, microphone, and sound system.
- ☐ Prepare KUBOTA-themed materials such as a backdrop, J-Flags, Mini A-Boards, and bunting, together with model cards, brochures, and dealer contact details.
- ☐ Assign team responsibilities and check the products, venue, materials, and sound system.
- ☐ Prepare enough drinking water and refreshments for all customers.

Prepare prizes, souvenirs, or Lucky Draw coupons if optional activities are included.

02 | EVENT DAY

Sample Agenda

Time & Duration	Activity	In Charge	What to Do
09:00–09:30 (30 min)	Registration and Customer Screening	Dealer Team	If attendance is high, use separate registration points for target prospects and general customers. Flag interested customers for sales follow-up. Distribute souvenirs or Lucky Draw coupons if provided.
09:30–09:45 (15 min)	Welcome and Dealer Introduction	Dealer Owner / MC	Welcome customers. Introduce the dealer, service center, spare parts support, and any event promotion.
09:45–10:15 (30 min)	Product Presentation	Product Presenter	Use the real KUBOTA Diesel Engine and TRA CHANG Power Tiller to explain key benefits, basic applications, and simple genuine-product checks.
10:15–10:30 (15 min)	Customer Experience Sharing (Optional)	Product Owner / MC	If included, invite a local product owner to share a short real experience. The MC should guide the questions and keep the session on time.
10:30–11:00 (30 min)	Q&A and Installment Plan	Sales Team / Finance Partner	Answer customer questions. Explain the selected installment plan or promotion. Small prizes may be prepared for the Q&A session.
11:00–11:30 (30 min)	Lucky Draw, Sales Discussion, and Closing	MC / Dealer Owner / Sales Team	Run the Lucky Draw, thank customers, and take a group photo. The sales team continues discussions with interested customers. Serve refreshments or meal boxes as appropriate.

Note: The timing and activity order may be adjusted to suit customers in each area. If Customer Experience Sharing is not included, use the time for the product presentation, Q&A, or customer discussion.
